

The 2nd annual Spin Three Spooktacular will be sneaking up on us before we know it and we are hoping you will help us make it another great event. It will be held on October 29th and 30th this year. The STS is an open, youth and pee wee barrel race and open & youth pole bending on both days along with a costume class on Saturday after the barrel race. We strongly encourage all of our Sponsors to come partake in the judging of the costume class. You'll be truly amazed at what these kids, and adults alike, can get their horses to put up with. The costumes in the past have been outstanding and just plain amazing.

Something a little different this year, we are hoping to have enough prizes such as headstalls, saddle pads, sport boots, bell boots, hay bags etc. to give average prizes to at least 4 places in each division as well as other random draw prizes, youth awards, pee wee awards and costume class prizes. Each year we also have money added to the pot each day in the open race and possibly the youth race which is a little added incentive for people to travel and join us. We understand this is a huge goal we've set for ourselves but we are hoping we can get enough help from sponsors such as yourself to make it happen.

Last year this race had just under 100 entries in just the open division each day and under the past name of the Halloween Barrel Bash, this race averaged in the 3 years about 100 entries each day in the open race. The Contestants come from all across the State of Montana and western Idaho. As soon as you confirm with us your intent to give us a sponsorship, we will put your name on all the advertisements and websites.

We at the Circle L Arena hope you will consider being a sponsor of this event in ANY way you see fit and help us in making this another great event for the whole family to enjoy.

Come join us, it'll be a scream!

Sincerely,

Circle L Arena
Rod Cline & Lisa Armstrong
